

- Paul King is owner, head trader, and financial advisor at his company PMKing Trading LLC based in Middlebury, Vermont, USA.
- Paul was a business consultant to Wall Street companies in Manhattan for 5 years before escaping to start his own trading and financial services business.
- PMKing Trading LLC has trading clients all over the world and teaches traders to improve their trading performance by using the proprietary methods developed by Paul King since 2002..
- Paul's philosophy on trading and life in general can be summed up by the old Chinese proverb "Those who say a thing is impossible should not interrupt the people doing it."
